**WFRW Biennial Convention Info Continued:**

Friday evening will begin with the **Winners' Circle VIP Reception, followed by dinner.** Enjoy a social time with our event VIP's and newly elected candidates that may be available to join us.

**On Friday evening, the dinner Keynote Speaker will be Todd Myers from the Washington Policy Center.** He has just released a new book "Time to Think Small".

According to our bylaws (p.24 Article XI of our Member Handbook) delegates and alternates to the WFRW Biennial Convention are to be elected at the regular September meeting on even-numbered years. Since this didn't happen last month there is still time to do it at the October meeting. Since the Club President is an automatic delegate, the Club pays for her registration, hotel, etc.. Delegates and alternates must be elected and primary members of the Club in good standing at least 60 days before the convention.
